

Traditional culture experience
program for foreign visitors

Shamisen of Nagauta workshop

We hold short programs that offer foreign visitors the opportunity to gain first-hand experience of authentic culture.

“Nagauta,” which originated as the kabuki music and developed as shamisen (three-string instrument) music, is a type of traditional Japanese music played on shamisen. You can try shamisen and professional Nagauta players will give a powerful performance and explain Nagauta in a way that makes it easy even for first-timers to understand.
